EDUCATION

PhD Candidate in Machine Learning AMLab, University of Amsterdam - Supervisor: Eric Nalisnick - Thesis topic: Safety and Robustness in Dynamic Settings	2022–present Amsterdam
M.Sc. Statistics Technical & Humboldt University Berlin	2019–2021 Berlin
Diplôme d'Ingénieur Statisticien Économiste (M.Sc.+B.Sc.) ENSAE Paris	2017–2019 Paris
B.Sc. Economics Humboldt University of Berlin	2015–2019 Berlin
B.A. Political Science University of Munich	2011–2015 Munich

RESEARCH EXPERIENCE

Research Intern JP Morgan AI Research - Ongoing project on LLM safety - Supervisor: Salim I. Amoukou	Jun–Sep 2026 London
Applied Science Intern Amazon Music - Project: Aligning Generative Retrieval Models with Human Preferences - Supervisor: Yannik Stein	Jun–Nov 2025 Berlin
Research Assistant The World Bank - Project: ImpactAI - Extracting Evidence for Development Economics (link) - Supervisor: Sam Fraiberger	2022–2024 remote
Research Intern Bosch Center for AI - Project: Modeling Irregularly-Sampled Time Series - Supervisor: Maja Rudolph	Apr–Sep 2021 remote
Research Intern Information Systems Chair, Humboldt University of Berlin - Project: Probabilistic Topic Extraction from Scientific Text - Supervisor: Stefan Lessmann, Alona Zharova	Jul–Aug 2018 Berlin
